

# Welcome to Young Investors Society

Learn money.  
Build confidence.  
Lead your future.

# Money Decisions Start Sooner Than You Think

Key Message: Every big life choice connects to money.

# But Most Students Are Never Taught This

Schools teach math, not **money**.

Many families never learned **investing**.

Mistakes can cost **years**.

# That's Why YIS Exists

- ✓ We are a national student-led organization.
- ✓ We bring real financial education to teens.
- ✓ We build confidence through action, not lectures.

# Real Skills. Real Confidence.
